TO:

EDI '88 and '89 Exhibitors

FROM:

Connie Beromer, Convention & Meetings Manager

Now that EDI '89 is behind us we must now start looking ahead to EDI '90.

Enclosed please find the Exhibitor Prospectus for the X12/DISA EDI '90 Conference & Exhibit to be held April 10-12, 1990 in Las Vegas, Nevada at the Las Vegas Hilton.

Chos- Can Hotel do you hardle Bis? Charles to the lies

As some of you may already be aware, a point/lottery was conducted for companies that exhibited at EDI '88 and EDI '89, as well as those companies that were on the wait list for EDI '88. This lottery was conducted to determine the order in which the 1990 booth space will be assigned.

Each exhibiting company has received one point for each year in which they participated in the EDI exhibit since 1988. A lottery was held among all two point and all one point exhibiting companies which determined the order in which booth space was assigned among these companies. Past exhibiting companies must return the completed Exhibit Space Application and submit the appropriate payment by July 3, 1989 in order to be included in this point/lottery system. After July 3, 1989 booth space is available on a first come, first served basis to past exhibitors who did not respond by the above deadline and to potential exhibitors.

It is important that you forward a 50% deposit-along with the Exhibit Space Application to this office no later than Monday, July 3, 1989. The balance due must be paid within 30 days after assignment of space has been made.

I look forward to hearing from you.
